

SOUTH EASTERN REGION – YMP EVENT

**TOUR OF NEWSFAX INTERNATIONAL
WEDNESDAY 30 MARCH 2011**

NEWSFAX RAINHAM

Unit 7, Beam Reach Business Park, Consul Avenue, Rainham RM13 8GJ

The development of the new 2012 Olympic Stadium on Carpenters Road has meant NEWSFAX had to relocate part of its production facilities.

Therefore, a new state of the art newspaper printing facility in the London Borough of Havering at Rainham was established in record time.

NEWSFAX created a 4,093 sq. metre (44,063 sq ft) purpose built printing complex to provide all of the necessary newspaper printing facilities. Combined with their Stratford site it makes NEWSFAX the largest independent newspaper printer in the UK.

The site at Rainham is part of the 340 acre development project in the Thames Gateway in East London.

The tour of the above site will start at 3.00pm and last for approximately 90 minutes. There is no cost for this event, just complete and return the attached form. It is open to anyone who feels that they would benefit from the YMP experience.

We look forward to seeing you. Please return the reply slip attached as soon as possible to book your place. Map also attached.
