

Meet your Regional Board

Eastern Regional Board

These are the individuals and businesses representing you in the Eastern Region. You will see they are representative of our Great UK print and graphics sector.

Board Members:

Chairman:

Philip Dodd, Managing Director, Healeys Printers Limited
www.healeys-printers.co.uk

Healeys Print Group are a high quality colour print business situated in Ipswich utilising litho, digital and large format output to deliver guaranteed quality and delivery schedules. Our specialist market is working with art galleries, auction houses and artists to achieve accurate, colour matched work including catalogues, books and invitations. This assists our clients in achieving successful marketing and sales. This concentration on quality in all we do and our desire to understand our customers businesses and add value ensures continued growth.

Bed & Milton Keynes Chairman:

Richard Knowles, Chairman, BCQ Group Ltd
www.bcqgroup.com

BCQ Group is an innovative, full spectrum print group offering a true "One Stop Shop" facility. Whether the requirement is for a marketing campaign, a new website or app. Through our award winning creative team at BDA, or exhibition graphics and bannerstands from our wide format team at JollyBig, we can help. BCQ is the result of a merger between Buckingham Colour Press and Colour Quest Group, to create Buckingham Colour Quest (BCQ) and is now a division of the BCQ Group of communication companies. From our recently expanded Buckingham facility, we maintain one of the largest B2 lithographic and digital printing resources in the country.

Bucks & Herts Chairman:

Philip Last, Managing Director, Last Bros (Tabs Direct) Limited
www.lastbrothers.co.uk

Last Brothers was established in 1948 by brothers Ken & Alan Last. The company started out as a general printers but as time went by the company went on to producing Tabbed Index Divider exclusively. 62 Years later and Last Bros is still going strong, in 2009 the company merged with Tabs Direct to increase it's capacity and production, encompassing a greater range of Stock Dividers.

Essex Chairman:

Robert Bidmead, Managing Director, Kestrel Printing Limited
www.kestrel-printing.co.uk

Kestrel Printing Limited was established in 1970 to serve businesses with a reliable source for their printed stationery requirements. Our aim then, as now, is to provide our clients with quality, reliability, flexibility and competitive pricing. Operating from our purpose built, modern premises in South East Essex, all of our operations are housed under one roof thus creating a 'Total Print Solution' for all of our clients needs. Whether it is a simple business card through to a full Corporate Print Identity, Kestrel Printing can offer advice along every step of the way.

Ipswich Chairman:

Terence Dalton, Managing Director, The Lavenham Press Limited
www.lpl-uk.com

The Lavenham Press is a family owned and managed company that has been established for over fifty years. Technology has changed the industry much in that time and we have always been at the forefront, making the best use of our experience to create opportunities for existing and new customers alike. This, together with a whole-hearted commitment to quality of service and product has seen a solid growth of the business over the years.

Committee Members:

**Andy Cork, Managing Director, Printondemand-worldwide.com
www.printondemand-worldwide.com**

PODW is an award winning family owned and managed company. In the 17 years we have been trading we have established a reputation within the publishing community for quality, reliability and innovation. We are a fully accredited environmental printer operating out of an environmental accredited plant in Peterborough. Our customers range from large global publishers, through to start up publishers and individuals requiring print. We offer POD singles and short run digital print across books and journals. As part of our expansion we offer full global POD distribution, POD retail distribution and e book conversion and retail distribution. We continually strive to offer our customers savings through innovation and in March 2011 we were awarded the OCE UK Award for Innovation in Book Automation and in November 2011 we won the East Midland Award for Resource Efficiency in recognition of our work on reducing our environmental impact.

**Nick Faint, Managing Director, Redlin Print
www.redlin.co.uk**

At Redlin we believe that our approach is best summed up by saying "it's all about you - our customer!". We listen! We take your communication problems, develop a solution, define a brief and then we deliver. Alternatively if you already know what you want (and many of our customers do), we will take your print spec and deliver quality through service, price and product. That's our approach which has been developed and established through working with our customers. It follows on that "actions speak louder than words" and if you have a particular challenge, we would relish the opportunity to see if we can help you find a solution.

**Miranda Hayward, HR Director, Wyndeham Press Group
www.wyndeham.co.uk**

In April 2011 Walstead Investments, the parent company of Wyndeham Group, acquired St Ives Web. This deal has created the UK's market-leading magazine and commercial web offset printing group, with over 1,300 employees and nine manufacturing operations. Turnover is in excess of £135 million per annum. Magazines, catalogues or commercial print - in today's challenging climate we take the time to understand your business and will deliver truly innovative and high quality print solutions. Talk to us today to see why Wyndeham Group is your first choice for intergrated print solutions.

**Mark Player, Managing Director, Greens Limited
www.greensdigital.com**

Greens is a communications, documentation and logistics company. However, our solutions are more complicated and customised than ever before, drawing on the skill sets of many different talents within the company. From our litho print beginnings Greens has everything from creative designers to web gurus, data managers to digital operators, finishing experts to logistical specialists. We have long specialised in the production of clinical research materials for drug trials with their complex document construction, multi lingual requirements and global distribution. Other main areas of operation are in creative design, training documentation, data and transactional print, mailing and distribution.
