

PRESS RELEASE**Apogee awarded Cloud Partner of the Year by XMedius**

MAIDSTONE: 02 AUGUST 2016

Apogee has been recognised as Cloud Partner of the Year by XMedius, a leading global provider of enterprise-grade solutions for Secure Document Exchange.

The XMedius awards celebrate top performing partners globally and recognise outstanding thought leadership, superior customer service and a comprehensive expertise in XMediusFAX® solutions.

"Partnerships are fundamental to the success of our business, and the 2015 award recipients have excelled in meeting and exceeding the needs of customers and in driving exceptional business results" said Jean Champagne, President and Chief Executive Officer of XMedius. "We are proud to be associated with these best-in-class companies from all over the world."

Gary Downey, Apogee's Group Marketing Director said "I am delighted that Apogee's expertise in cloud solutions has been recognised through this award. What Apogee continues to offer is consistent innovation and the Professional Services team we have in-house do an incredible job in helping our clients improve their document processes and infrastructure. The unrivalled level of care they deliver is of huge value to our clients and I am pleased that this has been recognised by XMedius."
